

Sapna Narang at "WomenTechShip" at Google

Sapna Narang participated in an "A Dialogue with Women Entrepreneurs in Delhi" in event #WomenTechShip on 23rd Dec at Google Campus, Gurgaon. The event #WomenTechShip is the flagship program of #GirlsInTech in Delhi NCR and aims to deliver a comfortable ecosystem for women to regulate the flow of ideas. The event was attended by 40+ women with varied experiences with 60% Entrepreneurs, 15% Professionals, 15% Students and 10% Others.

The #GirlsInTech program powered by Google for Entrepreneurs' and #40Forward is an initiative by NASSCOM for Start-ups. The program is aimed to improve the participation of women in technology start-ups.
